

BODY TREATMENTS

Ka La Recovery Treatment – 50 min/\$225

Overexposure to the sun causes long lasting damage to your skin. After a long day in the sun, give yourself and your skin a refreshing escape! Allow yourself to be immersed in our exceptionally soothing coconut milk body wrap. This cool, hydrating treatment will deeply hydrate, sooth, repair and renew your skin. Next, we will paint on our sun recovery formula on your body to nourish and sooth your skin using aloe vera, tamanu oil, Hawaiian plant and sea plant distillates to help preserve your tan and prevent blistering and peeling.

Kopa'a Exfoliation and Body Wrap – 80 min/\$250

Choose from any of our six sugar cane polishes or natural sea salt body scrubs to improve skin tone and texture. Follow with our coconut milk and aloe vera body wrap. Finish by receiving a soothing lomi lomi upper body massage.

Limu Purifying Body Wrap – 80 min/\$270

This body wrap begins with a gentle sugar exfoliation to improve skin tone and texture. Shea butter, noni and seaweed make the skin silky smooth, while our lively peppermint scented French green clay detoxes. The seaweed body mask helps nourish skin and draw out impurities. Removes dead skin cells, restores minerals, purifies the skin and delivers anti-aging and toning effects to the skin. Treatment ends with the Ola volcanic island foot treatment that consists of volcanic clay and lomi balm to open the pores, kava to ease inflamed muscles and noni protein to sooth, stimulate and soften the skin.
